BRABUS SHADOW 900

REDEFINING PERFORMANCE DAY BOATING

BRABUS Marine is the **result of the cutting-edge alliance between two of the most renowned companies** in their respective genres. Bringing together the award-winning Finnish boat builder Axopar Boats and the long-established, high-performance luxury automotive car producer BRABUS, to redefine luxury day boating through a range of ultra-exclusive and exciting powerboats.

BRABUS Marine focuses upon luxury products for global markets amongst the most iconic boat brands in the world.

BRABUS SHADOW THE INDIVIDUALIST'S RANGE OF YACHTS WITH AN AUTOMOTIVE BLOODLINE

Outstanding performance, power and superior acceleration, together with easy handling and best in class drivability, forms the core of a BRABUS Shadow product. On top of this, every BRABUS Shadow has an instantly recognizable charisma and strikingly gorgeous looks.

All boats within the range are painstakingly hand crafted to the highest possible standards by skilled technicians utilizing the finest materials, newest technologies and bespoke engineering. Revel in the excitement of getting back behind the wheel, feeling the power and enjoying the unrivalled thrill of these well-mannered, super-fast and easy-handling boats. The BRABUS Shadow range is designed for a select group of boat owners who want to enjoy the very best exclusive boating experience for absolute individualism, ultimate luxury and seriously impressive power and performance.

Adopting the identical philosophy of BRABUS supercars, whereby a premium car, as the Mercedes-AMG range is utilised as a platform from which BRABUS build their supercars, we transform and redefine a selective range of Axopar boats into BRABUS Shadow superboats.

BRABUS SHADOW 900 THE RED DOT AWARD WINNER 2020

The Red Dot Design Awards reviews the best new products of the year. Red Dot stands for belonging to the best in design and business. **It is recognised as being one of the most prestigious design awards in the world.** Excellent design is selected by competent expert juries in the areas of product design, communication design, and design concepts. The hotly contested Product Design category is where the world's top brands meet to compete.

The **BRABUS Shadow 900** range winning the latest 2020 Red Dot Award in the Product Design Category is a welcome achievement and accolade for BRABUS Marine. The BRABUS Shadow 900 Sun Top combines an eye-catching, elegant design with technical innovations and high performance.

"Ours is a new way of working within the industry. By utilising our 'shared-platform' thinking, design of the Shadow 900 range is the result of three unique parties, namely, BRABUS, BRABUS Marine and Navia design agency co-contributing and therefore co-designing together."

THE BRABUS SHADOW 900 LIMITED EDITION EXPLAINED

Following 40 years of history & heritage laid down by BRABUS, we always celebrate the launch of a new BRABUS Shadow model with a Limited-Edition 'Black-Ops series'. All models are exclusively finished in the renowned signature paint scheme Gunmetal Grey, combined with vibrant BRABUS Red exterior seating; the most striking combination for a Black Ops Limited Edition.

The BRABUS Shadow 900 Black-Ops '1 of 37' is hand-built with focus on precision and finish. Just the fairing, painting and polishing of the Limited-Edition version to the quality required is a highly labour-intensive, skilful and painstaking process, with no automation process, that can take up to six weeks alone to reach the required finish. Advanced design engineering and the use of high-tech, selective materials incur a superior level and lengthier period of manufacturing. As a result, every owner of a new Shadow will experience a far higher, superior level of individual touch and performance, uncommon for a boat in this size-range.

THE BRABUS SHADOW 900 BLACK OPS LIMITED EDITION 'ONE OF THIRTY-SEVEN'

It is the passion and commitment to performance, the desire for perfection, the pursuit of the superlative, but also a sense for aesthetics and functionality that forms BRABUS Marine superboats.

Scandinavian design meets German engineering.

BRABUS SHADOW 900 XC CROSS CABIN

Utility and luxury come together; this is the ultimate crossover, whether you're seeking out thrills or convenience, the BRABUS Shadow 900 XC Cross Cabin delivers performance at its very heart. Just like a well-designed high-performance 4x4 for the road, the all-weather capable, 'full-enclosed' Shadow 900 XC Cross Cabin could easily be referenced as a luxurious 'Sports Utility Vehicle' made for the sea. A true 'go anywhere' drivers boat delivering optimum comfort and capability.

THE XC CROSS CABIN MODEL

The distinctive looking BRABUS Shadow 900 XC Cross Cabin is the latest incarnation of this dynamic and highly accomplished 37-foot range of super-boats, following in the footsteps of the incredibly well-received BRABUS Shadow 900 Sun-Top and Spyder.

Endowed with true 'go-anywhere' characteristics, while at the same time offering an extremely convivial environment, with comfortable, raised seating for seven people in the cockpit that effortlessly cossets occupants in the sophisticated luxury and bespoke detailing renowned of a BRABUS.

The clean and ergonomic helm that resembles a supercar more than anything places the driver in the focus. Everything on the dashboard is close to hand, touchscreen technology with selected backlit switches and the exclusive multifunction steering wheel with finger-tip controls, make this one of the most modern looking consoles on the market.

THE SUN-TOP MODEL

The Shadow 900 offers adrenaline-fueled excitement, superior performance, acceleration and torque, providing an ultimate luxurious driving experience. With a bold, confident and authoritative stance, this amazing and dynamic 37ft footer is the perfect partner for you to arrive in style in whatever part of the world you are.

The Shadow 900 range offers class leading driving experience and benefits from Mercury Marine's latest dual 450R Verado XL 4.6 litre V8 FourStroke engines with Joystick Piloting for easy docking and manoeuvring. Flexible cruising speed-range in comfortable 30-40 knots and up to blistering 50 knots cruising speeds for those seeking thrills as well as fast and safe passage.

Better utilization of space includes new multi-storage solutions for adventure gear, a larger foredeck and more versatile social areas, with improved freedom of movement all around the boat. Below deck there's a significant enlarged front lounge, with Gullwing doors and also available with an optional enclosed toilet compartment.

BRABUS SHADOW 900 SPYDER

The open-air thrill-seekers, built with obsessive attention to details, the Shadow 900 Spyder offers awe inspiring performance and drop-dead BRABUS looks that will turn heads wherever it appears. It is the perfect luxury platform for a day out on the sea.

THE SPYDER MODEL

The Shadow 900 Spyder offers adrenaline-fueled excitement, mesmerizing performance, acceleration and torque, providing an ultimate luxurious driving experience. The Spyder is a first-class superyacht tender, or regatta chase boat, creating the right first impression for clients and VIP's. Only a few boats can match the visual drama and sense of excitement offered by a BRABUS Shadow 900.

Safely transiting passengers from ship-to-shore, whatever the weather, even in arduous sea conditions. The low freeboard means it's easy to step on board and with the optional boarding steps at the stern makes transferring people from boat to boat safe and comfortable.

Swathed in 'sport-pattern', cool grey and black BRABUS Fine Leather® and Dinamica with contrasting red accents and stitching, the front cabin with a 'queen size' sleeping accommodation has a sense of space and luxury more associated with a supremely comfortable lounge. Extend the lounge experience with an optional integrated infotainment unit, comprising a 42-inch flat screen 4K TV and Apple TV connectivity to mention a few of the options available.
